Materials

6mm/J Hook

8mm/L Hook

1 x James C Brett Supersoft Baby Aran. Approx 70m to 100m/76.5 to 109.3yd used depending upon size made.

1 x Robin Dynasty. Approx 70m to 100m/76.5 to 109.3yd used depending upon size made.

Tapestry Needle

Scissors

Notes:

- Chains at beginning of round count as a stitch unless otherwise stated.
- Stitch counts appear in bold at the end of each round.
- Small numbers in brackets at the beginning of a round [0] denote the corresponding photograph.
- The width of the headwarmer does not alter for each size. Sizing goes from Adult small, to extra large. If a larger size is required, an increase in the starting chain by multiples of 3 can be done. Place these three stitches -1 extra between each dragonfly.
- Check gauge to ensure your head warmer is the right size. I have firm tension with shorter stitches. The height your head warmer will equal: Height of one round x9. If your stitches are taller than mine you may need to adjust them. You tube has several great tutorials on how to adjust stitch height. A half treble crochet can be used for rounds 1 and 9 instead of a treble crochet, if height of your stitch is greater than gauge.
- The photographs of steps shown are for the adult small size.
- This pattern is designed with the two Aran weight yarns mentioned held together.
- As Robin Dynasty is a discontinued yarn, the following yarns could be substituted.
- Alize Mohair Classic.
- Lang Yarn Suri Alpaca
- Rico Fashion Skinny Alpaca
- Lana Grossa Setasuri Big
- Alternatively, a chunky weight yarn could be used, held single stranded.

Special Stitches	
Split Double Treble Crochet 2 Together: SDtr2tog over dragonfly. Note: The picture is shown of another project, but the stitch remains the same.	1. Yarn over twice and insert the hook into the first chain 5 space and pull up a loop. 2. Yarn over and pull through two loops, twice. 3. Yarn over twice and insert the hook into the second chain 5 space and pull up a loop. 4. Yarn over and pull through two loops, twice. 5. Yarn over and pull through all loops on the hook.
Surface Slip Stitch: Sslst. Note: The picture shown is from another project worked in HTr. The technique remains the same.	1. Keeping the yarn to the back of the work, insert hook through face of work. 2. Insert the hook into the space between the Treble crochet. 3. Pull up a loop from back of work through to front of work and through loop on hook. Repeat step 3 around. Close the round by inserting the hook through the 1st surface slip stitch. Pull up a loop and through the loop on the hook. Cut the yarn and leave a long tail to sew in. Note: It is important that your stitches are not tight. Go up a hook size from the one suggested if this is the case.

Graph and Key

Adult Small

This is a colour block graph. Each block denotes 1 stitch. Each colour denotes which stitch is worked. For further explanation of colour block graphs, please visit my webpage under the section, Tips and How To. Auburncraftcrochetdesign.com
Work always from right to left in the round.
The surface slip stitch is not shown on this graph, but is worked in rounds 1 and 9 once the main rounds are completed.
