Row 1: Attach The yarn with a Slst into the 1st Dtr of the group forming the heart point. Ch2 (counts as a Htr). [Htr, Ch1, 2Htr} into the same St. Turn. [4Htr, 1 Ch]

Row 2: WS. Slst across into the Ch1 Sp. Ch2 (counts as a Htr). [Htr, Ch1, 2Htr} into the same St. Turn. [4Htr, 1 Ch]

Rep Row 2 till you have a total of 6 rows, turning each time. Fasten off and cut yarn.

Working along the sides of the ears:

With RS facing and using the same colour yarn used for the heart face, attach the yarn to the heart shape, with a Slst, into the St before the ear starting point. Ch1, Dc into the top of the 1st Htr of your contrasting colour. [Ch1, Dc into the top of the next row Htr]x4. Ch1. 3Dc into the Ch1 Sp of row 6 contrasting colour.

Working down the other side of the ear:

Ch1, Dc into the top of the Htr at the end of contrasting colour row 5. [Ch1, Dc into the top of Htr of the row below]x4. Ch1, Slst to 1st Ttr at the point of the heart face. Fasten off and cut yarn.

Rep these steps for the remaining ear, attaching the yarn into the St before the beginning of the ear and finishing in the St after the ear.

Finishing:

1. With a needle and thread, sew buttons in place for eyes.
2. Cut 3 pieces of leather strap to approx 7.6cm/3inch lengths for the whiskers.
3. With a Tapestry needle and your contrasting colour yarn, sew a nose shape onto the face, catching the whiskers underneath this, by passing the needle from the back to the front and working an extended stitch downwards. Once you have the nose shape, extend the yarn down and around the edge of the heart to complete the mouth. Fasten off and cut yarn. Sew in any ends.
