Close with Slst to Sc in the top of Tr4tog cluster. Sew in any ends. Block

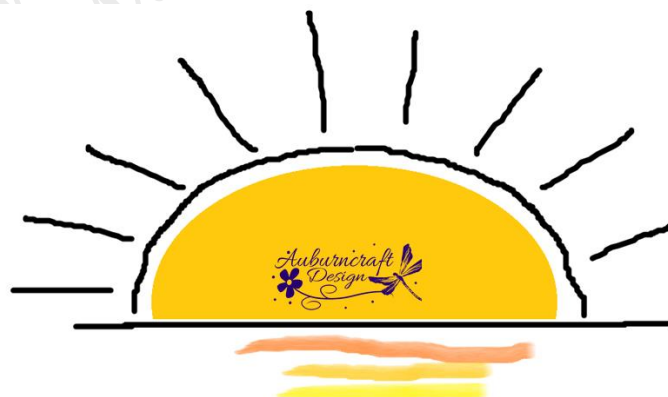

How to Block:

1. Using a clean spray bottle and water, dampen the square.

If you have a blocking board, place the square on this . If not find a flat clean surface to lay out.

2. Stretch the square gently into the shape you want it to dry in. Straighten the edges and gently stretch the points out. Pin (if you are on a surface which allows this).
3. Allow to dry.

A Huge thank you to my wonderful testers: Marie Few, Kalgari Leigh and Katherine Womack.
